August 10, 2020

**Sewer Work
Flandrau Place and Louise Avenue
August 17-25, 2020**

Dear Saint Paul Resident:

The City of Saint Paul will be working with a contractor to excavate and replace an existing sanitary sewer in Flandrau Place. This work is being done as part of the 2020 Citywide Sewer Work.

Beginning August 17, 2020, the City's contractor will close Flandrau Place to thru traffic. Weather permitting, work will be completed, and the road reopened to traffic by August 25. *Please see the back of this letter for a detailed map.*

How this impacts you:

- Flandrau Place will be closed to thru traffic for approximately 4-5 days.
- No parking signs may be posted near the excavation. Please follow all posted signs.
- Access to driveways and sidewalks will be maintained.

What is the cost?

There is no assessment cost to property owners for the sewer project.

Project updates:

Sewer project updates will be posted online at www.stpaul.gov/construction.

Questions:

For questions about the sewer work, contact Nathan Florek at Nathan.Florek@ci.stpaul.mn.us or (651) 266-5708.

Thank you for your patience and understanding as sewer work happens in your area.

Sincerely,

Aaron Hass, P.E.
