### Sewer Work

### Irvine Avenue (Lower) from Western Avenue to Pleasant (Walnut Street Steps) September 8 - September 16, 2020

Dear Saint Paul Resident:

The City of Saint Paul will be working with a contractor to rehabilitate the existing sanitary sewer in Irvine Avenue (Lower) near the intersection with Ramsey Street. This work is being done as part of the 2020 Citywide Sewer Work.

Beginning September 8, 2020, the City's contractor will close Irvine Avenue (Lower) to thru traffic at Ramsey Street and at Pleasant Avenue. Weather permitting, work will be completed, and the street will be reopened to traffic by September 18, 2020. *Please see the back of this letter for a detailed map.*

#### How this impacts you:

- Irvine Avenue (Lower) will be closed to thru traffic at Ramsey Street and Pleasant Avenue for approximately one week.
- No parking signs may be posted. Please follow all posted signs.
- Access to driveways and sidewalks will be maintained.

#### What is the cost?

There is no assessment cost to property owners for the sewer project.

#### Project updates:

Sewer project updates will be posted online at [www.stpaul.gov/construction](http://www.stpaul.gov/construction).
