Construction is Happening for the Margaret Street Bicycle and Pedestrian Improvements Project

October 3, 2018

What is happening?

Bicycle and pedestrian improvements along Margaret Street from Forest Street to McKnight Road and McKnight Road from Minnehaha Avenue to Hudson Road.

When is it happening?

Work is expected to begin at Johnson Parkway and Margaret Street on Monday, October 8, 2018. Additional work on Margaret in 2018 will be weather dependent. The remaining work on Margaret Street and on McKnight Road will begin in the spring of 2019.

How will you be impacted?

Vehicle access to Johnson Parkway from Margaret Street will be permanently closed. Vehicle access to Johnson Parkway frontage roads may be closed temporarily during construction.

What are the benefits of the project?

- ADA pedestrian ramp upgrades at every intersection
- Construction of an off-street trail along the west side of McKnight Road
- Improved conditions for people walking and biking
- New sidewalks
- The installation of traffic-calming elements

Where can you get project information and updates?

www.stpaul.gov/construction.

Who should you call with questions or concerns?

Contact Project Inspector Tom Rooney at 651-775-3040.

Thank you,
Barb Mundahl, Project Engineer
