Sewer Work
Mount Airy Street from Linden Street to L'Orient Street
September 8 - September 18, 2020

Dear Saint Paul Resident:

The City of Saint Paul will be working with a contractor to excavate and replace the existing sanitary sewer in Mount Airy Street at the intersection of L'Orient Street. This work is being done as part of the 2020 Citywide Sewer Work.

Beginning September 8, 2020, the City's contractor will close the intersection of Mount Airy Street and L'Orient Street to thru traffic. Weather permitting, work will be completed, and the street will be reopened to traffic by September 18, 2020. *Please see the back of this letter for a detailed map.*

How this impacts you:

- Both Mount Airy Street and L'Orient Street will be closed to thru traffic for approximately two weeks.
- No parking signs may be posted. Please follow all posted signs.
- Access to driveways and sidewalks will be maintained.

What is the cost?

There is no assessment cost to property owners for the sewer project.

Project updates:

Sewer project updates will be posted online at www.stpaul.gov/construction.

Questions:

For questions about the sewer work, contact Nathan Florek at Nathan.Florek@ci.stpaul.mn.us or (651) 266-5708.

Thank you for your patience and understanding as sewer work happens in your area.

Sincerely,

Aaron Hass, P.E.
Civil Engineer IV
