## 2020 PROJECT NOTICE: MISSISSIPPI RIVER BOULEVARD IMPROVEMENTS

Dear Saint Paul Resident,

Beginning on June 17, 2020, Mississippi River Boulevard (MRB) will be closed from Marshall Avenue to Randolph Avenue to complete a variety of scheduled construction and repair projects in preparation for a mill and overlay in early September. This work on Mississippi River Boulevard between Marshall Avenue and Randolph Avenue is anticipated to be completed by August 7, 2020. The mill and overlay will be done in early September.

All construction and repair projects will be done in the street or public right of way:

- Pedestrian improvements – sidewalk repairs and ADA-ramp construction
- Sewer repairs – catch basins and utility covers, some excavation work will occur
- Water main replacement *to be completed by Saint Paul Regional Water Services* (Randolph Ave. to Jefferson Ave. residents only)
- Mill and overlay – repave street surface (to be done in early September)

**Although the street is closed to all through traffic, driveway access will be maintained for residents in the construction area as “local traffic only.”**

### SOCIAL DISTANCING LANE CLOSURE TO END ON JUNE 15 – MARSHALL AVE TO FORD PKWY

In preparation for construction, the current southbound lane closure of Mississippi River Boulevard from Marshall Avenue to Ford Parkway to allow extra space for social distancing will be removed and end on June 15.

- Pedestrians and bicyclists will need to share the trail space.
- There will be a few places that the sidewalk work will impact the trail. Temporary alternate routes will be provided for pedestrians and bicyclists.
- Portions of the on-street southbound bike lane will be closed in active construction areas from Marshall Avenue to Jefferson Avenue.

For more information about the Mississippi River Boulevard Improvements, a detailed map and project updates, please visit [www.stpaul.gov/MRBImprovements](http://www.stpaul.gov/MRBImprovements).
