Construction is happening on Snelling Avenue

Date:

- October 4, 2017

What is happening?

- Construction of parking bays on the east side of Snelling Avenue at Bayard Avenue, Watson Avenue, and Niles Avenue.
- Construction of center medians between Ford Parkway and Randolph Avenue.

When is it happening?

2017

- Work on the parking bays is expected to begin October 16, 2017.
- The parking bays will be completed before winter and all work will halt during the winter months.

2018

- Construction of the center medians will begin in the spring of 2018.
- The anticipated end date for the entire project is June 30, 2018.

What is the impact to you?

- During construction, there will be lane shifts — please be mindful of signage.
- After construction, there will be some loss of parking on the east side of Snelling Avenue.

What are the benefits of the project?

- More green space and improved lighting for safer pedestrian crossings.

Where can I find project information and updates?

- www.stpaul.gov/construction.

Who should you call with questions or concerns?

- **Contact Project Inspector Tom Rooney at 651-775-3040.**
- Tom should be the **first** person you reach out to.
