## Construction is Resuming on the Snelling Avenue Medians Project

### Date:

May 1, 2018

### What is happening?

Construction of the center medians on Snelling Avenue between Highland Parkway and Randolph Avenue.

### When is it happening?

Traffic control will be set up on Friday, May 4, 2018, weather permitting. Saw-cutting, sidewalk removal, and pipe work is expected to begin near Juno Avenue, Eleanor Avenue, and Bayard Avenue on Monday, May 7<sup>th</sup>.

### How will you be impacted?

There will be lane closures to facilitate a safe work zone.

### What are the benefits of the project?

- Additional green space
- Pedestrian refuges
- Traffic calming

### Where can you get project information and updates?

[www.stpaul.gov/departments/public-works/road-construction](http://www.stpaul.gov/departments/public-works/road-construction)

### Who should you call with questions or concerns?

Point-of-contact is Project Inspector Tom Rooney at 651-775-3040.

Thank you,

Barb Mundahl

Project Engineer
