Summit Avenue Bridge (over Ayd Mill Road) will be replaced in 2019 Bridge Design is Happening NOW

Summit Bridge Community Meeting:
Monday, August 28, 2017
5:30 p.m. – 7:30 p.m.
This “Pop-Up” meeting will be held at the west side of the bridge.
Please check the project website in case of rain-out!

Dear Saint Paul Property Owner:

You are invited to pop in for this second community project meeting where you can learn about potential designs and provide feedback to city staff in an “Open House” setting. This is not a formal meeting, so come by at your convenience between 5:30 p.m. and 7:30 p.m. on Monday, August 28th.

When and where is bridge work happening?

See the map on the back side of this page for the general project area. The bridge and approach roadways will be reconstructed as soon as 2019. Planning and design work will be performed in 2017 and 2018.

How will the project impact me?

Summit Avenue will be restricted or closed during bridge construction, resulting in local traffic impacts.

Will my property be assessed to pay for the bridge?

No. The project will be funded from grants and capital budgets from Federal, State, and City budget programs.

Get updates:

Project updates and more details available at: stpaul.gov/summit-bridge.

If you have questions or comments that need to be addressed before the meeting, feel free to contact the Public Works Bridge Division at 651-266-6180 or send an email to summit-bridge@stpaul.gov.

Sincerely,

Brent Christensen, PE
Assistant City Bridge Engineer
