

TEDESCO STREET

Living Through a Construction Project

Noise

Dust

Mud

Limited Access

Inconvenience

TEDESCO STREET

Living Through a Construction Project

- Your street will be dug up numerous times
- The work is done in layers and often by different crews doing different types of work
- Plan on 4 months of disruption
- Residents and emergency vehicle access will be maintained at all times

TEDESCO STREET

Living Through a Construction Project

- All of the construction is done by private construction companies
- They are very busy and this isn't their only project
- Most road work is weather-dependent and rain *will* delay work
- Contractors work 5-to-6 days a week from 7:00 a.m. until 7:00 p.m.
- The City of Saint Paul will have an onsite representative (construction inspector) to inspect the contractor's work

TEDESCO STREET

Living Through a Construction Project

**ROAD CLOSED
TO
THRU TRAFFIC**

You can get to your house, but you cannot get all the way through - you will eventually come to a **ROAD CLOSED** sign

**ROAD
CLOSED
DO NOT ENTER!**

TEDESCO STREET

Living Through a Construction Project

- The contractor will post **NO PARKING** signs everywhere
- If there is *no* activity on your block, you may park in front of your house
- If there *is* activity on your block, please leave contact information on the dashboard - the contractor would rather call you than a tow truck
- Police agree not to ticket unless requested by Public Works or the contractor

TEDESCO

Living Through a Construction Project

- You will receive a letter prior to the start of construction - keep this for names and contact numbers
- A flyer will be handed out a week before construction starts on your block - check front doors for flyers
- Onsite Public Works inspector - the construction inspector should be your first call with questions or issues
- Weekly updates will be posted to the city's website at www.stpaul.gov/construction
