3/20/2020

Saint Paul Public Works is resurfacing Territorial Road between Berry Street and Raymond Avenue in the fall of 2020. Improvements and changes to the roadway are proposed as part of that project.

Public Works is proposing to install bike lanes in the roadway when the street is resurfaced. In addition, dedicated left-turn lanes will be added on Territorial Road at the intersections with Eustis Street and Cromwell Avenue to improve safety. The addition of in-street bike lanes and left-turn lanes on Territorial Road will make the street a safer and more comfortable place for people who ride a bike as well as for people who drive.

Changes to On-Street Parking

Parking is currently permitted on both the north and south sides of Territorial Road, except for on the bridge over TH-280. To create space for the bike lanes and left-turn lanes, the following changes to on-street parking are proposed:

Parking will be prohibited:

- south side of Territorial Road from Berry Street to Eustis Street
- north side of Territorial Road from Westgate Drive to Raymond Avenue

Parking will continue to be permitted:

- north side of Territorial Road from Berry Street to Westgate Drive
- south side of Territorial Road from Cromwell to Raymond

Additional Information

To view additional information about the project, including a concept layout and data collected regarding parking occupancy, please visit the project website at:

How to Provide Feedback

Questions or concerns about the proposed improvements should be directed to the Public Works project manager. The project manager is available to meet directly or through video to discuss the project.

Public Hearing

The proposed parking restrictions and striping recommendations will be presented to Saint Paul City Council for approval. This will be a public hearing and there will be an opportunity for public comment. The date of this meeting hasn't been established. Additional notification will be sent to adjacent property owners when the date of that public hearing is known.
