Building Code Updates

The new building codes are to be adopted in the state of Minnesota on March 31, 2020. Below is the list to be enacted:

2020 Minnesota State Building Code

2020 Minnesota Residential Code

2020 Minnesota Conservation Code for Existing Buildings

2020 Minnesota Accessibility Code

2020 Minnesota State Fire Code

2020 Minnesota Energy Code

The **2020 Minnesota Mechanical and Fuel Gas Code** will take effect April 06, 2020.

Due to the challenges of all parties having access to copies of these codes, the following guidelines will be in place until June 01, 2020:

1. All Delegation projects with permit applications submitted on or after March 31, 2020 will be enforced under the new codes.
2. All other permits may be submitted under the 2015 OR the 2020 code groups until June 01, 2020. However, you must choose either the codes under the 2015 OR the 2020 building code groups.

You may view any updated codes at the Minnesota Department of Labor and Industry [website](#). For questions or concerns please contact the Department of Labor and Industry directly at this email address: MNDLI@public.govdelivery.com.

Books and PDFs should be available for the public soon.
