BIZRECYCLING®
LESS TRASH = MORE SAVINGS

FREE LABELS

REWARD PROGRAM

FREE LABELS

Free labels for all of your containers as well as complimentary wall signs

REWARD PROGRAM

Financial reward for starting or enhancing an ongoing organics recycling program

How a BizRecycling[®] Grant Helped Highland Grill

In 2015, Highland Grill contacted BizRecycling for help improving their waste and recycling practices. They wanted to start recycling food scraps and paper waste. They also wanted to switch their to-go packaging to compostable materials. BizRecycling connected them with recycling experts Minnesota Waste Wise Foundation. With Waste Wise's help, Highland Grill developed a plan and applied for a BizRecycling Grant. The grant was used to buy color-coded bins and help offset the first six months' cost of purchasing compostable restaurant supplies.

A BizRecycling Grant helped Highland Grill improve their recycling, implement organics recycling, and transition to sustainable to-go packaging. Highland Grill's improvements earned them the Minnesota Restaurant Association's 2015 Restaurant Sustainability Award. Highland Grill also realized a substantial cost savings on their garbage bill by diverting over 14,000 pounds of standard recyclable materials and more than 46,000 pounds of organics annually.

Highland Grill is one of 45 restaurants, bars and food sellers in Saint Paul that have received a BizRecycling Grant. Contact BizRecycling today to learn how we can help *your* business.

Four Easy Steps to Better Business Recycling

Step 1
CONNECT
WITH US!

Call: 651.266.1199
Email: grants@co.ramsey.mn.us
Web: bizrecycling.com/contact-us

Step 2
FREE RECYCLING
CONSULTATION!

At your free site visit, our recycling experts will develop recommendations and a customized waste plan for you.

Step 3
APPLY FOR A
GRANT!

Use our grant money to purchase bins and equipment and remember to tap into our organics reward program.

Step 4
START RECYCLING
BETTER!

Implement and sustain your waste plan. We can help with staff trainings!

BizRecycling[®] is a program of the Ramsey/Washington Recycling & Energy Board
