(a) The Director of the Environmental and Public Works Management Department (EPWM), or his/her designee, may exempt a food provider from the requirements of this Chapter for a one-year period, upon showing by the food provider that the conditions of this Chapter would cause undue hardship. An “undue hardship” shall be found in:

(1) Situations unique to the food provider where there are no reasonable alternatives to expanded polystyrene or nonrecyclable plastic disposable food service containers and compliance with this Chapter would cause significant economic hardship to that food provider;

(2) Situations where no reasonably feasible available alternatives exist to a specific and necessary expanded polystyrene or nonrecyclable plastic food container.

A food provider granted an exemption by the City must re-apply prior to the end of the one-year exemption period and demonstrate continued undue hardship, if it wishes to have the exemption extended. Extensions may only be granted for intervals not to exceed one year.

The Director may require the applicant to provide additional information to permit the Director to determine facts regarding the exemption application.

(c) The Director may approve the exemption application, in whole or in part, with or without conditions.
