HOMEOWNER'S PLUMBING PERMIT

A permit may be issued to an owner/occupant of a one or two family dwelling on the premises or that part of the premises owned and ACTUALLY OCCUPIED by the worker as a residence per Minnesota Statute 326.46 Subdivision 1 (a). Before a permit may be issued, the homeowner must have the application approved by a plumbing inspector.

1. All work must be done by the permit holder.
2. An inspection by the plumbing inspector must be made on all piping before any work is concealed by walls, ceiling, floors, dirt or concrete.
3. Plumbing installations may require air tests, which must be performed by the homeowner.
4. Final test and approval after fixtures have been installed must be received by this department before fixtures are used.
5. It is the permit holder's responsibility to notify the plumbing inspector at 651-266-9005 during office hours of 7:30 a.m. and 9:00 a.m. when ready for inspection. Please allow two business days before the inspection is to be completed.
