**Chapter 67, Section 700 of the Zoning Code**

Section 67.702. Student dwellings.

A one or two family dwelling requiring a fire certificate of occupancy in which at least one unit is occupied by 3 or 4 students. A student is an individual who is enrolled in or has been accepted to an undergraduate degree program at a university, college, community college, technical college, trade school, or similar and is enrolled during the upcoming or current session, or was enrolled in the previous term, or is on a scheduled term break or summer break from the institution.

Section 67.703. Standards and conditions.

(a) A student dwelling shall be located a minimum of 150' from any other student dwelling located on a different lot, measured as the shortest distance between the two (2) lots on which the student dwellings are located.

(b) Parking shall be provided: 1 off street parking space for a single family dwelling; 3 off street parking spaces for a duplex.

Section 67.707. Tracking and renewal of registered and established student dwellings.

All student dwellings shall have and maintain a fire certificate of occupancy that identifies the property as a student dwelling. Continued student occupancy is required and documentation of residents' student status may be required in the future.
