(e) No structural alterations or enlargements shall be made to the dwelling for the primary purpose of conducting the home occupation.

(f) Service and teaching occupations shall serve no more than one (1) party per employee at a time and shall not serve groups or classes.

(g) There shall be no exterior storage of equipment, supplies or commercial or overweight vehicles (commercial and overweight vehicles are permitted to be parked only in garages) as defined in [Chapter 151](#) associated with the home occupation, nor parking of more than one (1) business car, pickup truck or small van, nor any additional vehicles except those for permitted employees identified under paragraph (d).

(h) There shall be no detriments to the residential character of the neighborhood due to noise, odor, smoke, dust, gas, heat, glare, vibration, electrical interference, traffic congestion, number of deliveries, hours of operation or any other annoyance resulting from the home occupation.

(k) For the purposes of this section, "principal residence" shall mean the dwelling where a person has established a permanent home from which the person has no present intention of moving.
