

COUNCILMEMBER NELSIE YANG

ST. PAUL WARD 6 WEEKLY UPDATE

10-JULY-2020

Councilmember Nelsie Yang here,

When I ran for St Paul City Council in June 2018 and got **elected in November 2019**, I knew **banning conversion therapy** and **protecting tenant rights in Saint Paul** would be my first priorities. These two issues were advanced by residents, organizers and advocates who, just like me, hold a burning desire to live in a world that's equitable across race, class, gender, and age.

Today, I can't be more proud to share that with the collective power of individuals, staff, and my City Council colleagues, we banned conversion therapy in the month of June and **passed a bold, strong tenant rights ordinance this past Wednesday**. Check out the full language of the tenant rights ordinance [here](#)! Thank you, and let's keep up the good fight!

With the recent heavy rainfall and flooding we've experienced, the need for improved city streets is as present as ever. **Help get potholes fixed!** Report their locations by calling the City of St Paul's main complaint line at 651-266-8989, or submit the complaint online at stpaul.gov/report-incident.

For those in need of **financial assistance due to COVID-19**, I want to lift up that **Ramsey County Emergency Assistance** is available to help with rent, mortgage and utilities payments for both single adults and families who have lost their job or had hours reduced due to the COVID pandemic. [Apply online at RamseyCounty.us/EmergencyAssistance](http://RamseyCounty.us/EmergencyAssistance) or by phone at 651-266-4884.
