

COUNCILMEMBER NELSIE YANG

ST. PAUL WARD 6 WEEKLY UPDATE

11-SEPTEMBER-2020

Councilmember Nelsie Yang here,

This week, City Council heard **2021 Budget presentations** from two city departments-- the **Department of Safety & Inspections** and the **Department of Parks & Recreation**. Watch the full Budget Meeting [here](#)! Want to participate in the finalization of the 2021 Budget? You can give your feedback by filling out the **2021 Budget Survey [here](#)**. Please share it with your friends and family in St Paul!

City Council also considered the use of Coronavirus Relief Fund aid for Mayor Carter's proposed **guaranteed income pilot program**. This aid would help up to 150 families in St Paul who have faced hardship specifically related to COVID-19 (illness, death of a family member, loss of work). Read more about the proposed plan [here](#). More conversations will take place during next week's council meeting.

Did you know that next week we will be hearing a presentation on the **St Paul Police Department's 2021 Budget Proposal**? In preparation for this presentation, we welcome questions you have about the future of this department.
