

COUNCILMEMBER NELSIE YANG

ST. PAUL WARD 6 WEEKLY UPDATE

17-JULY-2020

Councilmember Nelsie Yang here,

I had a powerful experience facilitating discussions about reopening our public schools in a town hall meeting hosted by **Saint Paul Federation of Educators** and **TakeAction Minnesota**. As your Councilmember, I co-govern across different levels of government because our lives are deeply impacted by all policies and decision-making at the local, state, and federal level. I want the **health and well-being of our students, families, and educators** to be our **#1 priority in plans for the upcoming school year**. It shouldn't be about scarcity, money, what used to be, nor meeting expectations set prior to the pandemic.

Fill out the SPFE Parent Survey: https://bit.ly/SPFE_Parent_Survey on Reopening our Schools and Communities. Think about "What do we need to reopen St Paul schools safely?", and "If we can't reopen safely, what do we need for parents in St Paul to be able to stay home with their children?"

Firefighters United, IAFF Local 21, and Fire Administration will be hosting an **Essential Needs Giveaway event** this Saturday, July 18th from 10am-2pm at the **Hallie Q Brown Community Center** in St Paul (720 N Kent St, 55102). Join in for a free meal and essential needs giveaways.
