

COUNCILMEMBER NELSIE YANG

ST. PAUL WARD 6 WEEKLY UPDATE

18 - SEPTEMBER - 2020

Councilmember Nelsie Yang here,

I am so excited to share that this week, we passed a resolution supporting the use of coronavirus relief funds for the **People's Prosperity Pilot** program! This pilot program will provide \$500 to 150 families in our college savings fund program who have faced hardship due to COVID-19 (illness, death of a family member, loss of work). [Read more about the plan here.](#)

Listen in to the **2021 Budget process**. We heard from the **St Paul Police Department, the Office of Technology and Communication, and the Office of Human Rights and Equal Economic Opportunity** during our weekly Budget Presentation. [Watch the full Budget Meeting here!](#) Give your feedback about the budget by filling out the [2021 Budget Survey here](#). Please share it with your friends and family in St Paul! You can also email City Council about the budget at CouncilBudget@ci.stpaul.mn.us.

Do you see folks around you who are in need? Wondering how you can make a positive difference in their lives? Sign up to volunteer with [Neighbors Helping Neighbors \(click here\)](#). You can select which service opportunities, locations, and times you're interested in. Our community is a better place to live in when we help each other.
