

COUNCILMEMBER NELSIE YANG

# ST. PAUL WARD 6 WEEKLY UPDATE

21 - AUGUST - 2020

Councilmember Nelsie Yang here,

Check out our top actions this week:

- **Drafted a plan to allow 10 food trucks total (instead of 5) at the Hafner's Lot on White Bear Avenue.** More news to come next week!

- **Advocated for broadband internet** for all in Saint Paul. This is especially crucial for our students, families, and educators utilizing distance learning due to COVID-19.

- **Watched Mayor Carter's 2021 budget address!** [Click here](#) to watch his full address and to view the budget proposal document in full.

I'm looking forward to upcoming budget presentations and hearing from all of you, so call/email us with your input!
