

COUNCILMEMBER NELSIE YANG

# ST. PAUL WARD 6 WEEKLY UPDATE

24 - JULY - 2020

Councilmember Nelsie Yang here,

This past week was filled with attending committee and council meetings, a ride-along with St Paul Police, and multiple funerals honoring the lives of fellow community leaders and veterans. Our office continues connecting with organizers, activists, and local organizations to lay the groundwork for building true public safety, through defunding the Police and reallocating those funds to create and support programming and services centered around care, anti-racism, and social equity.

We commit to strengthening our city's leadership through diversity. We want to ensure that residents and leaders from marginalized communities are represented on St Paul's 30+ boards, commissions, and committees. We ask you to submit an application to serve as a decision-maker and shape our city to become more equitable for people across race, gender, class, age, and more. Please apply! Visit [www.stpaul.gov/departments/mayors-office/committees-boards-and-commissions](http://www.stpaul.gov/departments/mayors-office/committees-boards-and-commissions)

Face coverings are now recommended and required in all indoor businesses and public indoor spaces, per Governor Walz's July 25th executive order 20-81. Additionally, workers are required to wear a face covering when working outdoors in situations where social distancing cannot be maintained. Please help protect yourself and others. Wear a mask! More information is available on the MN Dept of Health's website at [www.health.state.mn.us/diseases/coronavirus/facecover.html](http://www.health.state.mn.us/diseases/coronavirus/facecover.html).
