

COUNCILMEMBER NELSIE YANG

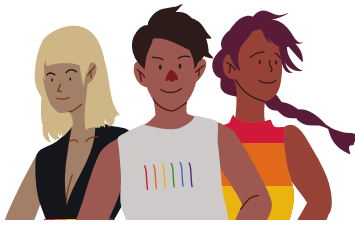

ST. PAUL WARD 6

WEEKLY UPDATE

26 - JUNE - 2020

Councilmember Nelsie Yang here,

Greetings! I'm finishing off this week feeling deep hope for achieving the change our communities of color and neighbors across gender and sexuality have long deserved.

The Saint Paul City Council passed a **resolution honoring the 51st Anniversary of Stonewall and June 2020 Pride Month**. I hope you join me in donating time and/or money to the incredible LGBTQ+ organizations fighting for equity all across our city and state. [View the full resolution here.](#)

The **tenant right ordinance** is close to the finish line! But the work is not done. I will be pushing to include all units of affordable housing in the advanced notice of sale requirement. You may keep submitting comments about the importance of this by:

- 1) Emailing Contact-Council@ci.stpaul.mn.us
- 2) Call/Leaving a Voicemail at 651-266-6805

The journey to bring **systemic changes in public safety** continues. St Paul Police Chief Todd Axtell presented to City Council this Thursday, answering councilmember questions regarding St Paul Police operations and actions taken after the murder of George Floyd. Hear our City Councilmembers bringing forth your questions. [Watch the full presentation here.](#)

We need to keep asking hard, pressing questions. We're striving for a world where people don't have to live in fear, especially when calling for help. **We're in this together.**
