

COUNCILMEMBER NELSIE YANG

# ST. PAUL WARD 6 WEEKLY UPDATE

28 - AUGUST - 2020

Councilmember Nelsie Yang here,

I **voted NO for charter school conduit bonds**. We didn't win the votes to deny the request, and the conduit bonds were granted. **HOWEVER**, we made a dent in the unchecked growth of charter schools by gaining commitment from more councilmembers to hold them accountable! This week showed me that grassroots organizing and leading with political will is how we break through complicity of injustice in our government. You can [watch the full Housing & Redevelopment Authority meeting here](#).

This week, I **sponsored a resolution that passed unanimously, allowing up to 10 food trucks (instead of 5) to operate in the lots at 1560, 1570, and 1590 White Bear Avenue North**. Support these small businesses! Swing by for delicious food, like my Super Secret Ninja Bowl w/ EXTRA salmon from Ninja Sushi!

We're diving deeper into budget discussions now. [Get 2020 and 2021 Budget Information here!](#) Email us your comments and feedback at **CouncilBudget@ci.stpaul.mn.us**.
