

## Automatic Bill Payments

Automatic bill payments can help save you time and money. You can have your water and sewer bill automatically deducted from your checking or savings account and avoid the time and expense of writing checks and paying postage.

**You must be up-to-date on your payments and have a zero balance on your account to enroll in automatic bill payment options.**

Both Direct Pay and Monthly Manager allow you to pay your bill directly from your savings **or** checking account.

## Auto Pay Selection and Authorization

To enroll in an automatic payment plan, please choose either the Monthly Manager or Direct Pay. Then choose the bank account from which you would like the payments withdrawn. Fill out the form to the right, and return it to:

**SPRWS Customer Service**  
1900 Rice Street  
Saint Paul, MN 55113

*By signing the form, I am authorizing Saint Paul Regional Water Services to instruct my financial institution to make payments to SPRWS from the account listed. I understand that I can control my payments and if, at any time, I decide to discontinue this payment service, I will notify Saint Paul Regional Water Services in writing.*

## Step One

Please select one of the following options for automatic bill payments.

- Direct Pay**  
*proceed to step three*
- Monthly Manager**  
*proceed to step two*

## Step Two

**Note:** To qualify for Monthly Manager, you must have received a bill for your address for at least a year.

Please choose a day to have your account debited every month. **Note: If left blank, you will be enrolled in the Direct Pay plan, instead of Monthly Manager.**

**Please deduct my monthly manager payment every \_\_\_\_\_ (day number) of the month.**

*Must select between 1-28 for choice of day*

## Step Three

Please provide your SPRWS account information

## Direct Pay

Direct Pay is available to our customers who receive either monthly or quarterly bills.

You will still get a bill with the amount due, which will be deducted from your account within 11 days after your stated due date.

## Monthly Manager

**Note:** Monthly Manager is only available to customers who would otherwise get their bills once a quarter.

Monthly Manager allows you to spread your payments out evenly over the course of the year, in equal payments based upon your previous year's water usage.

**Note:** You must have received a bill for your address for at least a year to participate in Monthly Manager. We base future payments on your water use history covering the previous 12 months.

The same amount will be deducted from your account each month after the day you select. *(Selected dates should be the 1-28 of the month, as not all months have the same number of days. Your account will be debited the amount due within 11 days after your due date.)*

You will receive a regular quarterly statement reflecting your water usage and charges.

Once a year, we will recalculate your monthly payment based on actual water use.

If you have overpaid or have a balance due, the credit or balance due will be incorporated into the recalculated rate of payment over the next 11 months.
