Water Usage
Water usage is based on the meter reading for the current period. ESTIMATE indicates we were unable to read the meter. If your current bill is estimated, call the Meter Office at 651-266-6850 to schedule an appointment as we need to get inside and troubleshoot the metering problem.

Note: One billing unit equals 100 cu. ft. or 748 gallons of water.

Billing Periods
Accounts are billed quarterly for residential and monthly for commercial.

Water Rate Settings
Water rates consist of water usage charges, a water service base fee, and a main replacement surcharge.
