The screenshot shows the official website for the City of Saint Paul, Minnesota. The top navigation bar is dark blue with white text and icons. It includes the city logo, links for "I WANT TO", "RESIDENTS", "BUSINESSES", "VISITORS", "GOVERNMENT", a search icon, and a "TRANSLATE" option. Below the navigation is a secondary row of links: "LATEST UPDATES", "OVERVIEW", "PREPARE TO APPLY" (which is underlined in blue), "FAQS", and "CONTACT US". A large banner image at the top shows a group of people singing into microphones. Overlaid on this image is the text "INFORMATION FOR GRANT RECIPIENTS" in large, bold, white capital letters. Below this, a smaller text reads: "Visit our resource hub for grant recipients to find project information, checklists, and required forms." At the bottom of the banner, there is a call-to-action button with the text "RECIPIENT RESOURCES" and a right-pointing arrow.

CLOSE-OUT / 20% Remaining Payment

Step by Step:

- Log in to your ZoomGrants account
- Find your 2025 Cultural STAR application
- Access the Final Report Tab
- Complete the Report (your responses will automatically save as you move to the next question)
- Upload close-out, expense, and match (if applicable) documentation
- Submit
- For more information on how to submit the final report, please refer to ZoomGrant's help guide here:
 - <https://help.zoomgrants.com/index.php/zgu/approved-applicants-submitting-reports-invoices-and-adjustment-requests/>

What we look for at closeout (expense documentation):

- Do the expenses fall into the budget categories that were allocated in the contract? (Found in Exhibit A, Statement of Work).
 - Note that the \$ amounts can differ from what's in the contract, but no new budget categories can be added upon closing out.
- Does each expense document list a date within the contract period? (Found on the first page of the official contract, "Effective Dates") **8/1/25 - 7/31/26**

What we look for at closeout (expense documentation) continued:

- Does each expense document have a corresponding document showing proof of payment?
 - Note that proof of payment doesn't need to be within the "Effective Dates".
- Is proof of payment clear? (e.g., if you send a bank statement, are the relevant payments noted/highlighted?)
- When combined, do all expenses total at least the grant amount?

Tips & Reminders

SAINT PAUL
MINNESOTA

STPAUL.GOV

Tips for closing out

- Where possible, charge larger expenses to the grant. This results in fewer documents to send your PM and less time for your PM to review everything.
e.g., charging a facility expense to the grant, then submitting the invoice and proof of payment. This can save time in comparison to gathering and submitted numerous documents for small expenses.
- If your project is over, we encourage you to close out and not wait until the 10/29/26 deadline to submit your closeout documentation. STAR staff manages hundreds of projects and reviewing closeouts can be time consuming. If you are eager for your remaining grant funds, close out as soon as you can.
