

Saint Paul Fire Explorer Post #9624

Exploring

- Are you an ideal candidate for Saint Paul's Fire Explorer Program?
- Are you considering a career in firefighting or public safety?
- Are you 14 to 20 years of age? (Must be at least in 9th grade)
- **Space is limited - sign up now!**

Saint Paul's Explorer Post meets each week 5:30-8:00 p.m. at our Fire Training Facility located at 1683 Energy Park Drive in Saint Paul, MN 55108.

We begin meeting and training in February, and train weekly (except for holidays), concluding at the Governor's Fire Prevention Day at the Minnesota State Fair in August. Some optional events may take place on weekends.

Our curriculum includes firefighting and emergency medical services topics, career readiness, and friendly competitions with other fire explorer posts. Positive interaction with firefighters and paramedics is ensured, as is a good time and an educational experience! It is a dynamic way to get youth interested in pursuing a firefighting career path and we have several Saint Paul Fire Explorer alumni on the job right now! Learn more at www.explorenow.org.

Apply today! Complete and submit the bottom portion or email your interest to Liz Staberg. You will be contacted to attend an informational session prior to the start of the next cohort!
