This MOA is entered into by the City of Saint Paul and the above listed Unions for the purpose of establishing Health Insurance contribution rates and VEBA contribution rates for 2026 and 2027. The parties agree to accept the Medica Health Insurance bid which includes a rate 8.0% increase for 2026, and a 9.5% rate cap for 2027. Based on this agreement, the parties agree to the following:

- 1) The City agrees to continue to pay the administrative costs for FSA and the HRA and the premium for the preventive dental portion of the dental options. The employee will continue to pay the buy-up premiums for any elective dental insurance coverage. Note: the cost of the preventive dental was removed from the calculation in 2019 since the City is now responsible for the full cost of preventive dental.
- 2) The rates listed in Appendix A shall be incorporated into each individual union's 2026 collective bargaining agreement.
- 3) This language does not alter or change the City's commitment to make pro-rata contributions for part-time employees as stated in applicable contracts.
- 4) The parties agree to accept the wellness program components approved by the LMCHI.
- 5) The parties agree to accept a partnership with Kavira Health, which will provide a 1.5% reduction in 2026 Medica Health Insurance bid. This partnership reduced the 9.5% increase to 8%.
