

2026 Tentative Projects

Department	Division (if applicable)	Project Name	Project Estimated Cost	Product/Service/Construction Being Purchased	Approximate Start Date of Project	Approximate End Date of Project
PW Sewers	Sewer Utility	Arlington-East Shore Sewer Cleaning and Televising Project	\$700,000.00	Sewer cleaning and televising	Spring of 2026	December of 2026
PW Sewers	Sewer Utility	Maryland-Edgewater Sewer Cleaning and Televising Project	\$700,000.00	Sewer cleaning and televising	Spring of 2026	December of 2026
PW Sewers	Sewer Utility	2026 Citywide Sewer Cleaning and Televising Project	\$500,000.00	Sewer cleaning and televising	Spring of 2026	December of 2026
PW Sewers	Sewer Utility	2026 Citywide Sewer Repairs Project	\$800,000.00	Sewer repairs and replacement - by excavation	Summer of 2026	Spring of 2027
PW Sewers	Sewer Utility	2026 Citywide Sewer Lining Project	\$500,000.00	CIPP (cured-in-place) pipe lining	Fall of 2026	Spring of 2027
PW Sewers	Sewer Utility	2026-27 Shaft and Tunnel Repairs Project	\$2,400,000.00	Shaft and tunnel repairs	Fall of 2026	Summer of 2027
PW Sewers	Sewer Utility	Bush-Desoto and Sherman Sanitary Pump Station Rehab Project	\$1,000,000.00	Replace pumps, electrical, mechanical equipment	Fall of 2026	Spring of 2027
PW Sewers	Sewer Utility	Lowertown Floodwall Closure(s) Project	\$2,500,000.00	Construct reinforced concrete floodwall closure(s) at Jackson Street and Sibley Street	Summer of 2027	December of 2027
PW Sewers	Sewer Utility	Como-Eustis Sanitary Pump Station Capacity Improvements Project (Phase 1)	\$2,500,000.00	Sanitary capacity improvements at existing Como-Eustis pump station, including: additional submersible pump, new control cabinet and valve vault, sewer pipe and structure modifications	Fall of 2026 or Spring of 2027	Spring of 2027 or Summerof 2027
Public Works	Street Engineering	Alley Reconstructions: 7th/Woodward and Selby/Laurel	\$600,000.00	Contractor Work: removals, grading, paving	May of 2026	July of 2026
Public Works	Street Engineering	Alley Reconstructions: Hatch/Orchard and Snelling/Fry	\$600,000.00	Contractor Work: removals, grading, paving	July of 2026	September of 2026
Public Works	Street Engineering	Brick Alley Repairs	\$100,000.00	Contractor Work: remove and replace bricks	July of 2026	September of 2026
Public Works	Street Engineering	City Wide Sidewalk Improvements	\$500,000.00	Contractor Work: Sidewalk Repairs and Infill	May of 2026	September of 2026
Public Works	Street Engineering	Grand Ave/Snelling Ave Intersection Improvements	\$870,000	Contractor Traffic Signal and Pedestrian Intersection Improvements	June of 2026	August of 2026
Public Works	Street Engineering	Lafayette Trail	\$385,000	Contractor: Pedestrian Safety Improvements	May of 2026	Sep-26
Public Works	Street Engineering	Payne Pedestrian Improvements - Phalen to Maryland	\$1,875,000.00	Contractor: Trail/Pedestrian/ADA Improvements	July of 2026	Oct-26
Public Works	Street Engineering	Safe Routes to School Projects	\$1,429,900	Contractor: Trail/Pedestrian/ADA Improvements	May of 2026	Sep-26
Public Works	Street Engineering	Pelham Reconstruction - Franklin to MRB (Common Cent)	\$13,110,000	Contractor: Street Reconstruction Project	June of 2026	Oct-26
Public Works	Street Engineering	Ivy/Birmingham Residential Mill & Overlay	\$3,000,000	Contractor: Milling with Pedestrian and Sewer Improvements	May of 2026	Sep-26
Public Works	Street Engineering	St Anthony/Rondo Arterial Mill & Overlay	\$4,500,000	Contractor: Mill/Pave, Traffic Signal, Pedestrian Improvements	June of 2026	Sep-26
Public Works	Street Engineering	University Ave Reconstruction (Common Cent)	\$8,000,000	Contractor: Street Reconstruction Project	May of 2026	Oct-26
Public Works	Street Engineering	Wheelock-Grotto Phase II Reconstruction	\$12,500,000.00	Contractor: Neighborhood Street Reconstruction Project	May of 2026	Oct-26
Public Works	Street Engineering	Earl Street Reconstruction: Maryland to Minnehaha (Common Cent)	\$13,920,000.00	Contractor: Street Reconstruction Project	May of 2026	Oct-26
Public Works	Street Engineering	Safe Routes to School Projects	\$1,429,900	2026 Consultant Inspections	May of 2026	Oct-26
Public Works	Street Engineering	Chelsea Heights Safe Routes to School	\$1,800,000.00	2026 Consultant Inspections	May of 2026	Oct-26
Public Works	Street Engineering	Minnehaha Street Reconstruction: Payne to E. 7th St	\$980,000.00	2026 Consultant Design for 2027 Street Reconstruction Project	February of 2026	Feb-27
Public Works	Street Engineering	Earl: Minnehaha to Burns and 6th Street Signal	\$15,690,000	2026 Consulting Design for 2027 Reconstruction Project	February of 2026	Feb-27
Parks and Recreation	Design and Construction	Hidden Falls Restroom Improvements	\$1,400,000.00	Construction of new restroom at Hidden Falls Northern Entrance	July of 2026	Jul-26
Parks and Recreation	Design and Construction	Merriam Park Improvements	\$2,200,000.00	Site improvements to fields and play area and court renovation	October of 2026	Jun-26
Parks and Recreation	Design and Construction	Northdale Field Improvements	\$500,000.00	lighting	March of 2026	Oct-26
Parks and Recreation	Design and Construction	Phalen Regional Park Picnic Pavilion	\$1,200,000.00	Renovation of existing picnic pavilion	March of 2026	Dec-26
Parks and Recreation	Design and Construction	Phalen Regional Park Lakeside Activity Center	\$125,000.00	Request for Proposal for Design Services	February of 2026	Dec-65
Parks and Recreation	Design and Construction	Mississippi River Learning Center Site Work	\$2,500,000.00	Center	August of 2026	Aug-26
Parks and Recreation	Design and Construction	Ryan Park Play Area Renovation	\$575,000.00	New play area at Ryan Park	August of 2026	Jul-26
Parks and Recreation	Design and Construction	Conway Recreation Center Play Area Renovation	\$575,000.00	New play area at Conway Park	September of 2026	Aug-26
Parks and Recreation	Design and Construction	Sacket Park Improvements	\$350,000.00	Improvements to existing field	June of 2026	Oct-26
Parks and Recreation	Design and Construction	Mounds Park Trail Connection	\$250,000.00	Trail connection through Mounds Maintenance/Park	August of 2026	Jul-26
Parks and Recreation	Design and Construction	Court reconstruction at Hamline Park	\$350,000.00	New Futsal and basketball courts	July of 2026	Dec-26
Parks and Recreation	Design and Construction	Basketball court construction at Daytons Bluff Park	\$300,000.00	New basketball court at Daytons Bluff	July of 2026	Deco-26
Parks and Recreation	Design and Construction	Fishing Pier at Crosby Farm Regional Park	\$125,000.00	Construction of new fishing pier at Crosby Lake	March of 2026	Aug-26
Parks and Recreation	Design and Construction	Victoria Park Universally Accessible Play Area	\$4,500,000.00	Construction of new universally accessible play area	March of 2026	Aug-26
Parks and Recreation	Design and Construction	Duluth and Case Construction Manager at Risk RFQ and RFP	\$200,000.00	RFQ for Construction Manager at Risk	March of 2026	Aug-26
Parks and Recreation	Design and Construction	Mississippi River Blvd Retaining Wall Repairs	\$600,000.00	River Blvd	March of 2026	Jun-26
Parks and Recreation	Design and Construction	Tou Ger Xiong Memorial	\$250,000.00	Construction of a memorial including a sculpture and mural	June of 2026	Oct-26
Parks and Recreation	Design and Construction	Parks & Recreation System Wide Signage	\$75,000.00	RFP to provide supply and fabrication of system wide signage	June of 2026	Oct-26
Parks and Recreation	Design and Construction	Hazel Park Paving Improvements	\$200,000.00	Repairing concrete paving around the building	August of 2026	Dec-26
Parks and Recreation	Design and Construction	Point Douglas Regional Trail	\$6,000,000.00	Construction of new regional trail	October of 2026	Jul-26
Parks and Recreation		Roof Replacement at MLK/HQB			TBD	TBD
Parks and Recreation		Harriet Island Wigington Pavilion – Stage removal and remodel			TBD	TBD
Parks and Recreation		Highland Aquatics – Pool refinishing's			TBD	TBD
Parks and Recreation		Battle Creek – Roof Replacement			TBD	TBD

2026 Tentative Projects

Department	Division (if applicable)	Project Name	Project Estimated Cost	Product/Service/Construction Being Purchased	Approximate Start Date of Project	Approximate End Date of Project
OFS / SPPL		Hayden Heights Library Remodel		General Contractor - Remodel Project	Bid Open January of 2026 Construction Start April 2026	Estimated Completion March of 2027
OFS / Parks & Rec		MLK Rec / Battle Creek Rec Roof Replacement Projects		Roof Replacement	Bid Open January of 2026 Construction Start Spring of 2026	Fall of 2026
OFS / SPFD		Fire Station 22 Parking Lot		General Contractor - New Parking Lot	Bid Open January of 2026 Construction Start Spring of 2026	Summer of 2026
RiverCentre		Escalator Replacement	\$1,500,000.00	Replace 4 Escalators	Late Spring of 2026	Fall of 2026
RiverCentre		RiverCentre Parking Ramp Repairs	\$1,200,000.00	Concrete repairs to the parking ramp decks, columns and beams	Spring of 2026	Fall of 2026
RiverCentre		RiverCentre Parking Ramp East Elevator Modernization	\$700,000.00	Modernize the 2 east elevators in the parking ramp	Spring of 2026	Fall of 2026
Water	Production	Spent Lime Cake Hauling service	\$1,000,000.00	Hauling, transportation, and disposal of spent lime cake residuals generated from water treatment operations	May of 2026	May of 2029
Water	Production	Facilities Painting and Coatings – On-Call O&M Services Contract	TBD	On-call surface preparation, protective coating, and painting services for water utility facilities, structures, and equipment	May of 2026	May of 2029
Water	Engineering	McKnight Tank Reconditioning (2 MG Standpipe)	\$1,000,000.00	Rehabilitation and recoating of an existing 2-million-gallon steel standpipe, including surface prep, structural repairs, and corrosion protection	May of 2026	August of 2026
Water	Engineering	Vadnais Gatehouse Improvements (Construction of new gatehouse and 90-inch sluice gates)	\$2,000,000.00	Construction of a new gatehouse structure and installation of large-diameter sluice gates and associated mechanical and structural components	September of 2026	June of 2027
Water	Engineering	Lower Service Reservoir Feasibility Analysis (16 MG concrete reservoir installed in 1923)	\$200,000.00	Engineering evaluation of an existing 16-million-gallon concrete reservoir to assess condition, remaining service life, and rehabilitation or replacement options	July of 2026	December of 2026
Water	Administration	McCarrons Campus Roof Replacement	\$300,000.00	Removal and replacement of existing roofing systems on water treatment campus buildings, including flashing, insulation, and related improvements	June of 2026	August of 2026
Water	Engineering	Beebe Station Back Up Generator and Pump Replacements	\$600,000.00	Replacement of emergency power generation equipment and critical pumping components to improve reliability and resiliency	July of 2026	July of 2027
Water	Production	Vadnais Station Cold Storage Building	\$125,000.00	Construction of a new cold storage building for equipment, materials, and operational needs at the Vadnais Station site	June of 2026	September of 2026
Water	Engineering	Fridley Pump Station Transformer Replacement	\$1,250,000.00	Removal and replacement of electrical transformers serving the pump station, including associated electrical and site work	May of 2026	December of 2027
Water	Engineering	Fridley Pump Station Intake Improvements (Sluice gate repair and traveling screen replacement)	\$1,000,000.00	Repairs to intake sluice gates and replacement of traveling screens to improve raw water intake reliability	May of 2026	April of 2027
Water	Engineering	Hazel Park Station Back Up Generator and Pump Replacements	\$600,000.00	Replacement of emergency generators and pumping equipment to support continuous operations during power outages	August of 2026	August of 2027
Water	Engineering	Sandy Lake Site Grading Improvements	\$1,500,000.00	Site grading, drainage, and earthwork improvements to address regulatory requirements and long-term site stability	August of 2026	May of 2027
Water	Engineering	Chlorine and Ammonia Evaporator Replacements	\$200,000.00	Replacement of chemical evaporators used in disinfection and chloramination processes, including controls and safety systems	June of 2026	September of 2026
Water	Engineering	Ferric Chloride Chemical Feed Pump Replacement	\$150,000.00	Replacement of chemical feed pumps and associated piping and controls for ferric chloride dosing systems	July of 2026	October of 2026
Water	Engineering	Wastewater Handling Feasibility Study	\$100,000.00	Professional engineering analysis of plate settler performance to identify efficiency improvements and operational optimizations for filter backwash wastewater system	July of 2026	June of 2027
Water	Distribution	Hydrant Painting Services	TBD	Cleaning, preparation, and repainting of fire hydrants to maintain visibility, corrosion protection, and color coding	June of 2026	December of 2029
Water	Engineering	20-inch Water Main River Crossing Replacement	\$1,200,000.00	crossing, including structural, hydraulic, and environmental considerations	July of 2026	December of 2026
Water	Engineering	Sandrock Tunnel Rehabilitation (shotcrete and structural reinforcement)	\$300,000.00	lining and reinforcement to restore integrity and extend service life	August of 2026	December of 2026
Water	Administration	McCarrons Campus External Audible Alarm System	\$100,000.00	Installation of an external audible alarm system to provide site-wide alerts for emergency and operational conditions	May of 2026	November of 2026
