Recycling 12+ unit, Collection Fee per Cart or Per Dumpster		Cart: Not Proposing Dumpster: Not Proposing	Cart: Not Proposing Dumpster: Not Proposing

Bulky Item Collection:

Please provide the pricing structure for the bulky item collection services you are proposing.

Items Collected: Mattresses and Box Springs

Per Item price for Single Unit Housing*: \$40.00 per unit collected

Per Item price for 1-4 unit properties and MUDA that opt into the program*: \$40.00 per unit collected

If proposing an alternate collection option, please describe and provide pricing.

* The price quoted includes:

1. Pick-up at curbside or in an ally for single family units and pick-up at designated locations for all multi-unit households
2. Transportation to the Second Chance Recycling facility
3. Deconstruction of all units and the recycling or reuse of most components.
 - a. Currently the recycling/reuse rate of all material is greater than 90%
 - b. This proposal would completely remove all described product from the Ramsey/Washington county waste stream.

Price Increases:

- We would propose annual price increases equal to the Consumer Price Index(CPI) for the Twin Cities area of Minnesota
 - Second Chance currently experiences regular cost increases which are driven, in part, by required wage rate increases that are tied to the CPI
