History - Cultural STAR Program

- **In 1993, the Minnesota State Legislature authorized the City of Saint Paul to levy a half-cent sales tax to improve the Saint Paul RiverCentre complex and create the Sales Tax Revitalization (STAR) Program.**
- **STAR funds support:**
 - **Capital activities of the RiverCentre and economic needs in Saint Paul (40%)**
 - **Neighborhood STAR program: grants for capital projects to further residential , cultural, commercial, and economic development in downtown Saint Paul and Saint Paul Neighborhoods (50%)**
 - **Cultural STAR program: grants to arts and cultural organizations in Saint Paul (10%).**
 - **Targets nonprofit arts and cultural organizations**
 - **80% goes to the "Cultural District of downtown Saint Paul"**
 - **Programming, operating, and capital expenses**

2026 Cultural STAR Program Timeline

There continues to be just
one round of Cultural STAR

Application Deadline	Applicant Interviews	Mayor & City Council Approval	Earliest Project Start Date	Latest Project End Date
Friday, March 13, 2026 at 4pm	Apr/May 2026	Summer 2026 (tentative)	August 1st, 2026	Special Projects/ Capacity Building Projects: July 31, 2027
				Capital Projects: July 31, 2028

Timing Considerations

- Be planful. The past several years, it's been Nov/Dec before the final recommendations were voted on by city council. We are anticipating a faster process this year but even so, if you have a project during the first few months of the eligibility period, your event may have already taken place before you get under contract.
- 2026 Eligibility Period:
 - 8/1/26-7/31/27 special projects & capacity building
 - 8/1/26-7/31/28 capital projects

Cultural STAR Program Goals: Strengthen the arts and cultural sector to promote economic vitality in Saint Paul, and support Downtown as a vital cultural center.

1

Promote a broad range of cultural offerings

2

Build and diversify audiences

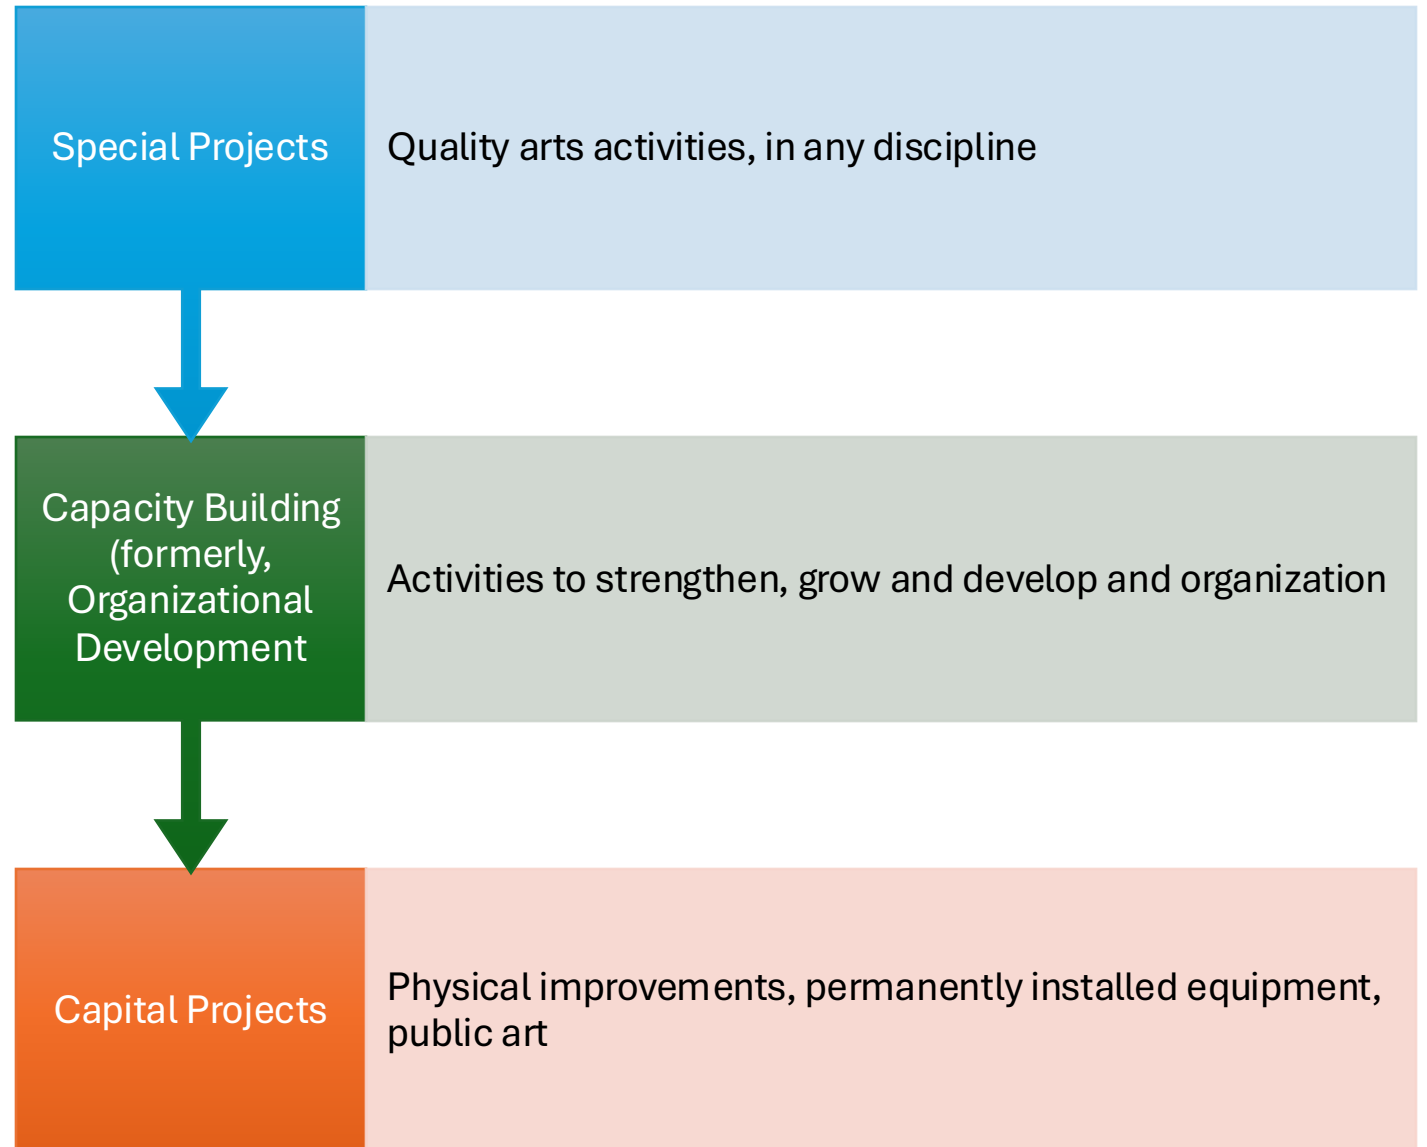

3

Produce a long-term impact

4

Leverage additional financial support

Three Project Types

Cultural District

- What is the Cultural District?
- The Cultural District is defined as the geographic area bordered by Interstate 94 to the north, the Lafayette Bridge to the east, Harriet and Raspberry Islands to the south, and Chestnut Road to the west.

Guideline Summary

Guideline Summary

- Disbursed as project expenses incurred

- **Complete program guidelines and information:** www.stpaul.gov/cultural-star

Guideline Summary – Common Question

- My organization is based outside the cultural district, but my project has several events, one of which will occur within the cultural district. What do I apply for?
 - Two options:
 - **Apply for in district funding:** With one event occurring within the cultural district, you could apply for in district funding (80% pool), however, only the expenses from this event will be eligible. Any other events associated with your project outside the CD, would not be eligible.
 - **Apply for out of district funding:** You may decide that you want all events associated with your project to be covered, in that case you would apply for out of district funding (20% pool).
