Project Overview

The City of Saint Paul is making infrastructure and safety improvements for pedestrians, bikers, and drivers on **Arlington Avenue between West Wheelock Parkway to Payne Avenue, and we want to hear from you.**

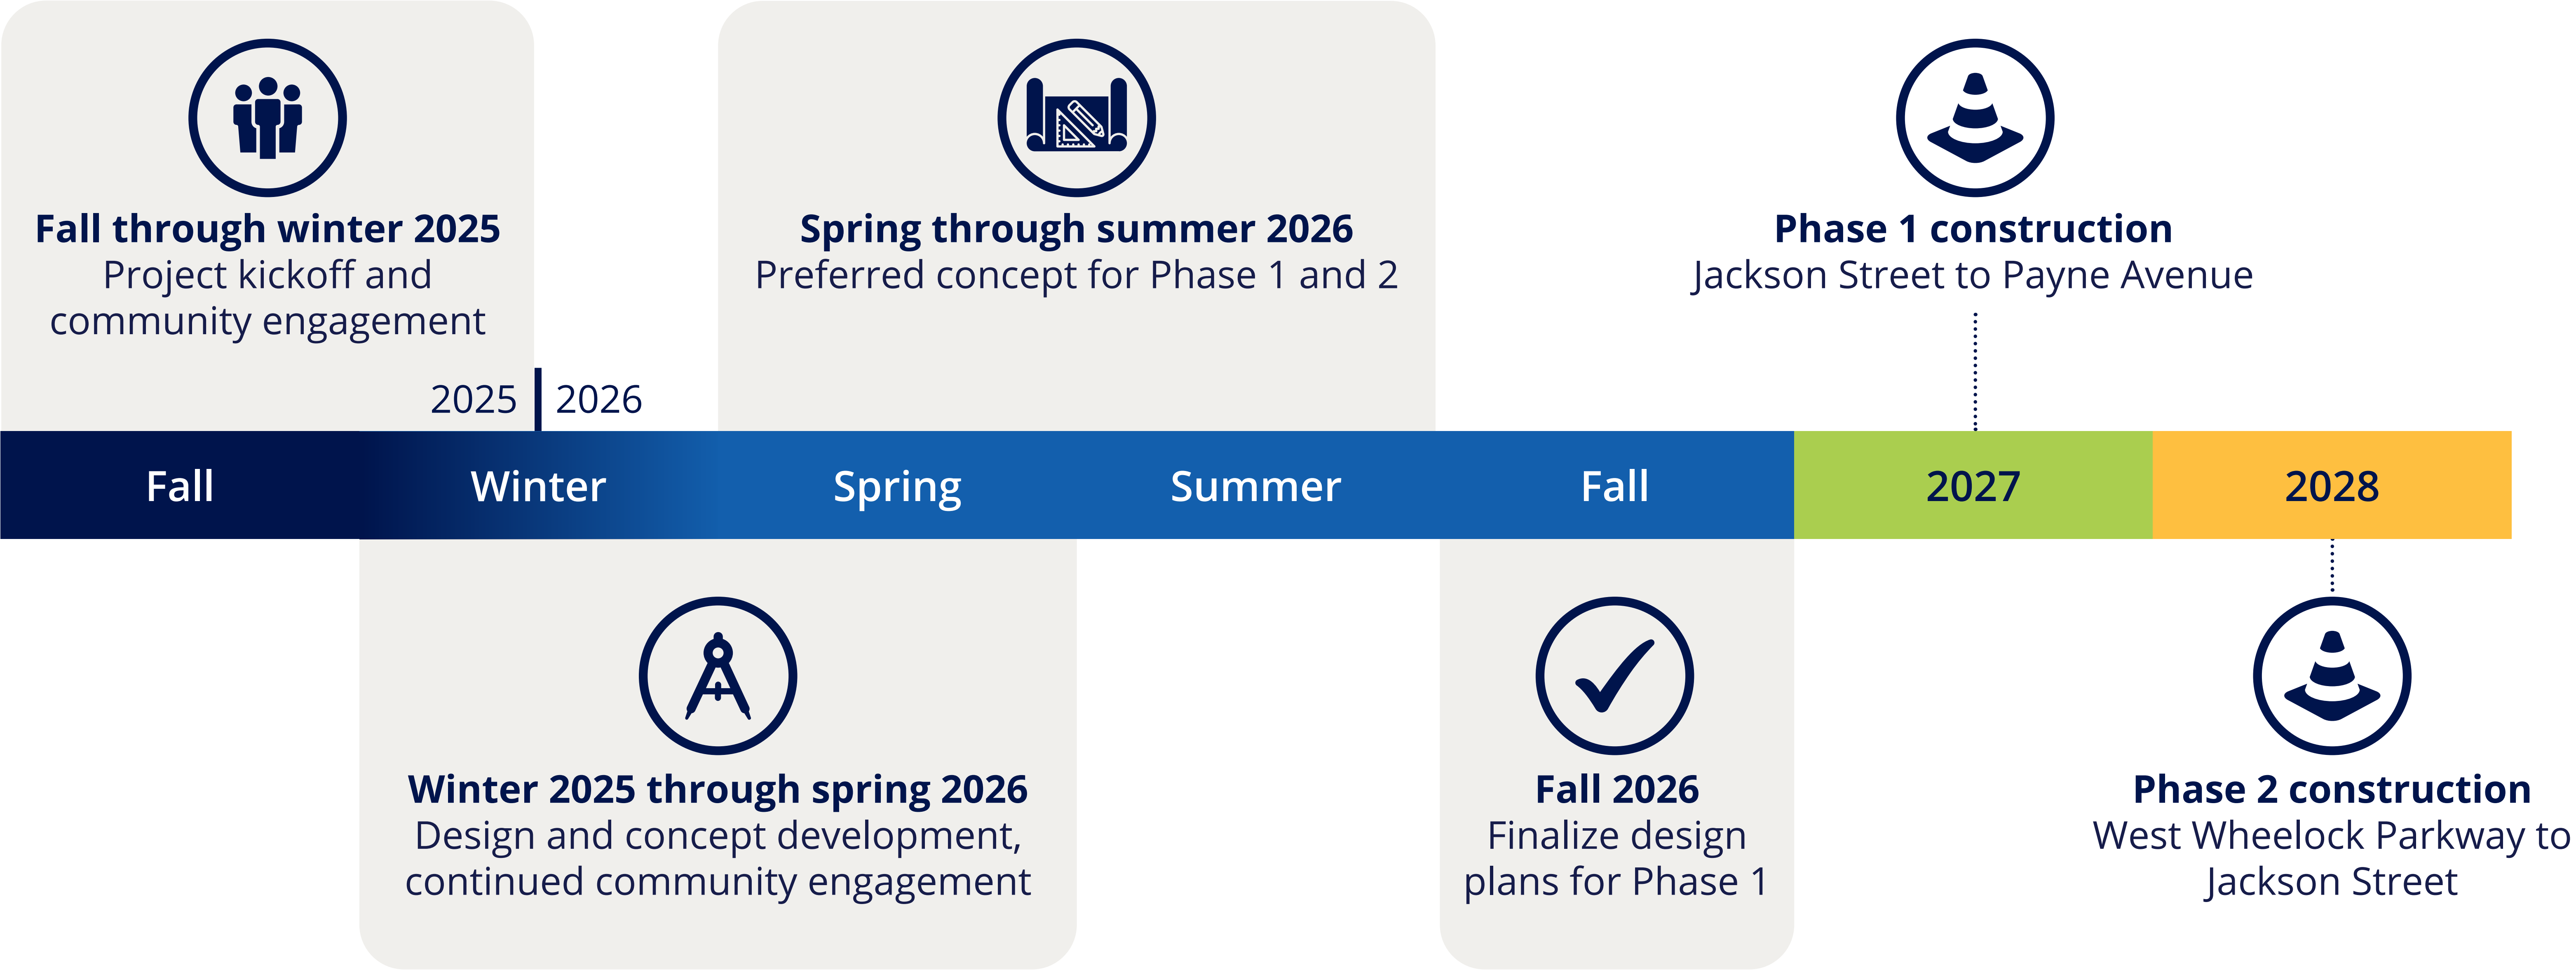

Goals

Project construction will occur in two phases in 2027 and 2028. Work for both phases will include:

- ✓ Safer travel lanes, bicycle lanes, and parking
- ✓ Accessible pedestrian signals, signage, and lighting
- ✓ New sidewalks along both sides of the roadway
- ✓ Installation of new curb and gutter
- ✓ New pavement
- ✓ Coordinated utility work in the project area
