

Capital City Bikeway Kellogg Boulevard Project

**SAINT PAUL
MINNESOTA**

Kellogg Boulevard Phase 2: June 1 Closure Update

Construction on Phase 2 of the Capital City Bikeway Project is ongoing this summer! Continue to follow along with weekly updates to stay informed on project information and construction impacts.

Stage 2 Project Work will begin on June 1 (weather permitting). Westbound Kellogg Blvd will be closed between Wabasha Street and 7th Street W.

Please note that pedestrians will be routed to the south side of Kellogg Blvd, make sure to follow posted signage in the area. Access will be maintained for those wishing to access a property or parking ramp directly within the project area. Access to the Kellogg Underground Parking Ramp will remain open, drivers will need to approach the ramp from the north using Washington St. Thank you for your patience as we work to improve our infrastructure.

If you have specific concerns or technical/construction questions, contact the Construction Project Representative, Shawn Hennen at 612-750-6288 or shawn.hennen@bolton-menk.com.
