

Landlord 101 Registration Form 2026

This training, and the landlord information that is provided by the Department of Safety and Inspections is designed for the first time landlord in the City of Saint Paul to provide foundations for the development of their property management skills, and for those experienced city landlords who wish to better understand tenant, landlord relationships and responsibilities. The manual and training should not be regarded as legal advice or considered a replacement for the landlord's responsibility to be familiar with the law. In that regard, I release the Department of Safety and Inspections and employees from all liability and responsibility from my participation in this program.
